Meta Wolf AG evaluates implementation of a cash capital increase

Kranichfeld, Germany, 4 August 2026 – Meta Wolf AG (ISIN DE000A254203; WKN A25420; ticker symbol: WOLF) (“**Company**”) is currently evaluating the implementation of a cash capital increase using the Authorized Capital 2026 and granting statutory subscription rights for the existing shareholders (“**Capital Increase**”).

The net proceeds from the Capital Increase are intended to be used for investment in artificial intelligence, robotics, solar systems, further expansion as well as for research & development and software. The potential Capital Increase is intended as a first step towards the revitalization of the Company in the capital markets.

The implementation of the Capital Increase, including its specific timing and volume as well as the price for the new shares, depends on market conditions and further resolutions of the respective corporate bodies. The Company will inform the capital market and the public about the progress in accordance with legal requirements.

IMPORTANT NOTICES

This announcement may not be published, distributed or transmitted in the United States of America (including its territories and possessions, any State of the United States and the District of Columbia, the “**United States**”), Canada, Australia, Japan or any other jurisdiction in which publication, distribution or transmission would be unlawful. This announcement does not contain or constitute an offer of, or the solicitation of an offer to buy or subscribe for, securities in the United States, Australia, Canada or Japan or in any jurisdiction in which such an offer or solicitation would be unlawful.

This announcement constitutes neither an offer to sell nor a solicitation to buy securities of the Company. A public offering of the securities in Germany will only be made on the basis of a prospectus approved by the German Federal Financial Supervisory Authority (“**Bafin**”). Any investment decision regarding the securities being offered should only be made on the basis of the prospectus. The prospectus will be made available free of charge in due course on the Company’s website (www.metawolf.com) in the “Investor Relations” section. The prospectus will be approved by Bafin in accordance with the provisions of Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 (Prospectus Regulation). However, the approval of the prospectus by Bafin should not be understood as an endorsement of the securities being offered. Investors should acquire securities solely on the

basis of the prospectus and read the prospectus before making an investment decision in order to fully understand the potential risks and rewards associated with the decision to invest in the securities.

This announcement does not constitute an offer to sell securities in the United States. The securities referred to herein have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “**Securities Act**”), or with any securities regulatory authority of any state or other jurisdiction of the United States. The securities may not be offered or sold in the United States unless registered or exempt from the registration requirements of the Securities Act. The securities referred to herein have not been approved, disapproved or recommended by the U.S. Securities and Exchange Commission, any state securities authority in the United States or any other U.S. regulatory authority, nor has any of the foregoing authorities assessed or endorsed the merits of the offering of the securities referred to herein. No public offering of these securities will be made in the United States.

The securities referred to herein may not be offered or sold in Australia, Canada or Japan or to or for the account or benefit of nationals, residents or citizens of Australia, Canada or Japan.
